

If owner chooses to replace, a new glove set (same color, class & size) will be ordered and tested.

Owner decides on replacing gloves.

If owner chooses not to replace an invoice for testing will be issued.

If glove set fails testing, owner is notified and quote for new set is provided.

Managed Glove Program
Tested to ASTM Standards
OSHA 1910.137
Gloves tested every 6 mo.
Blanket/Sleeves once a yr.
Hotsticks every 2 yrs.
Grounds every 3 yrs.

Database is updated and the owner can track history of glove set by unique ID Number.

If glove set passes testing they will be sent back to owner.
